PROFILE SUMMARY

MERN Stack Developer with 1 year of freelance experience in building responsive, user-friendly web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in full-stack development, API integration, and UI optimization with a focus on clean, efficient design and high performance.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, Bootstrap 5, Tailwind CSS, React.js, Figma, Adobe Photoshop.

Backend: Node.js, Express.js, MongoDB.

WORK EXPERIENCE

Freelancer | MERN Stack Developer

(Sep 2024 - Present)

- Developed multiple client-based web applications using the MERN Stack with a focus on responsive design and smooth performance.
- Handled both frontend and backend development, including API integration, authentication, and UI optimization.

VFX Artist | Future Works Media Ltd, Chennai.

(Oct 2022 - Sep 2024)

- Worked on visual effects and post-production for film and media projects.
- Collaborated with creative teams to deliver high-quality visuals within deadlines.

Computer Operator | TN HR & CE, Vedharanyam.

(2015 - 2021)

- Managed data, accounts, and records while supporting office operations.

VFX Artist | Future Works Media Ltd, Chennai.

(Feb 2015 - Feb 2021)

- Managed compositing, tracking, and cleanup tasks for multiple video projects.
- Ensured quality control and consistency in all output visuals.

PROJECT EXPERIENCE (Freelance Work)

- Developed several full-stack web applications for different business domains, solving real-world client requirements.
- Built responsive UIs with React.js, optimized using Tailwind CSS and Bootstrap.
- Implemented backend functionalities including API creation, user authentication, CRUD operations, and MongoDB integration using Node.js and Express.js.
- Utilized React Router, React Hook Form, useState, and useEffect for structured, dynamic UI management.
- Collaborated with clients to gather requirements, plan project architecture, and deliver end-to-end web solutions with optimized performance and usability.
